

MEET ASTRID LINDGREN'S PIPPI LONGSTOCKING

STORYTELLING PERFORMANCE BY DANYAH MILLER

MAKE YOUR OWN THINGFINDER NECKLACE

Get your Thingfinder eyes wandering. Can you find five objects?

A happy chirpy birds feather, an old wizard's bead, a lost lonely button, a cut short straw, a magic bendy sparkley.

Find five different objects around your home and thread them or tie them onto a piece of string to create your Thingfinder necklace - unless its an old Welly boot, then that might be tricky!

Happy thing findering!
